**PRISM BREAK
EARBUDS**

Important Message to Customers

Thank you for purchasing one of Activision's many top-quality electronic products. We would appreciate it if you take a few moments to read through these instructions. This will help you explain to the child the safe and proper way to use this product, and to help give it the long-lasting life that Activision's products are designed for.

Using Your Earbuds

The earpieces are marked "L" and "R". Place the "L" earpiece in your left ear and the "R" earpiece in your right ear for proper fit and best sound. If the earpieces are inserted incorrectly they will not fit properly in your ears and the sound quality will not be satisfactory.

Connect the earbud plug to the headphone jack of your music player. Be sure that the plug is fully inserted into the jack. If the plug is not fully inserted you may only hear sound from one earpiece.

To protect your hearing, always start listening with the volume control on your music player set to a low level and gradually increase the volume to a comfortable listening level.

NOTE: Your earbuds are supplied with three different size silicon tips (S-M-L) for maximum comfort and to seal out unwanted noise. The "M" (medium) size tips were installed at our factory. If you find that the installed tips are too small or too large for your ears, you may remove them and replace them with the larger or smaller size accessory tips. To replace the tips simply pull them off the earpieces. To install different size tips, push them on to the earpieces and make sure they are fully seated on each earpiece so that they do not come off when you remove the earpiece from your ear. If one of the tips remains in your ear when you remove the earbuds, remove the tip carefully and avoid pushing it further into your ear canal. Seek medical assistance if one of the tips becomes lodged in your ear and you are unable to remove it.

IMPORTANT! Listening at high volume for long periods of time can result in long-term hearing damage. For your safety, do not use earbuds if they would prevent you from hearing warning sounds, such as while riding a bike, etc.

NOTE: In extremely cold or dry air conditions you may notice a slight 'tingling' feeling in your ears when using in-ear headphones. This is the result of the build-up of static electricity in your body. This is normal and not an indication of any problem with your earbuds.

One-Year Limited Warranty Information

KIDdesigns, a division of SDI Technologies Inc. (hereafter referred to as SDI), warrants this product to be free from defects in workmanship and materials, under normal use and conditions, for a period of one (1) year from the date of original purchase.

Should this product fail to function in a satisfactory manner, it is best to first return it to the store where it was originally purchased. Should this fail to resolve the matter and service still be required by reason of any defect or malfunction during the warranty period, SDI will repair or, at its discretion, replace this product without charge. This decision is subject to verification of the defect or malfunction upon delivery of this product to the Factory Service Center authorized by SDI Customer Service. The product must include proof of purchase, including date of purchase. An out-of-warranty fee for service will be charged for units that are received without proof of purchase.

Before returning this product for service, please first replace the batteries (if applicable) with fresh ones, as exhausted or defective batteries are the most common cause of problems encountered.

If service is still required:

1. Call SDI Customer Service at 1-888-TOP-TOYS (1-888-867-8697) for Return Authorization and for the address of the Factory Service Center.
2. Remove the batteries (if applicable) and pack the unit in a well padded, heavy corrugated box. SDI is not responsible for damage that occurs during shipping to the Factory Service Center.
3. Enclose a photocopy of your sales receipt, credit card statement, or other proof of the date of purchase, if within the warranty period. Also include your name and address information, a brief description for why the unit is being returned, and the return authorization number. No unit can be processed without a return authorization number.
4. Write the return authorization number on the side of the shipping package and send the unit prepaid and insured to the Factory Service Center address authorized by SDI Customer Service.

Disclaimer of Warranty

NOTE: This warranty is valid only if the product is used for the purpose for which it was designed. It does not cover (i) products which have been damaged by negligence or willful actions, misuse or accident, or which have been modified or repaired by unauthorized persons; (ii) cracked or broken cabinets, or units damaged by excessive heat; (iii) damage to digital media players, CD's or tape cassettes (if applicable); (iv) the cost of shipping this product to the Factory Service Center and its return to the owner.

This warranty is valid only in the United States of America and does not extend to owners of the product other than to the original purchaser. In no event will SDI or any of its affiliates, contractors, resellers, their officers, directors,

shareholders, members or agents be liable to you or any third party for any consequential or incidental damages, any lost profits, actual, exemplary or punitive damages. (Some states do not allow limitations on implied warranties or exclusion of consequential damages, so these restrictions may not apply to you.) This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Your acknowledgement and agreement to fully and completely abide by the above mentioned disclaimer of warranty is contractually binding to you upon your transfer of currency (money order, cashier's check, or credit card) for purchase of your SDI product.
